PRAYER TO THE HOLY SPIRIT
 Holy Spirit, You who clarify everything for me, who illuminates all the ways so that I reach my ideal. You who give me the Divine gift of forgiving and forgetting the evil they do to me and that you are with me in every moment of my life. In this short dialogue I want to thank You for everything and confirm that I never want to be separated from You, no matter how great the material illusion.

I wish to be with you and all my loved ones in perpetual glory. Thanks for your mercy for me and mine. Thank my God. (The person must say this prayer 3 days in a row without saying the request, within 3 days grace will be reached, no matter how difficult it may be. Publish as soon as grace is received). I.I.

KENNEL OPEN • 10AM-4PM – MON-SAT

Leda Anne Cote,

76, of Lake Havasu City, Arizona, passed away peacefully with her life partner, Layne Walker and family members, by her side, on August 9th, 2022 after a long battle with cancer. Born in Ridgecrest, CA, she was raised in Tehachapi, CA. She left home in 1960 to attend high school in Sunland, CA at the Preparatory Institute of Notre Dame. After high school she moved to St. Louis, MO and joined the convent, School Sisters of Notre Dame. While in the convent she went to Notre Dame College and earned a BA degree in music. She taught music in various Catholic schools after graduating college. After fourteen years she left the convent. She did many things in her life. She worked as a nanny, a computer programmer, and an H&R Block tax agent. She worked in a pizzeria in Vancouver, WA before moving to Pheonix, AZ where she started her writing/editing career. She moved to Parker in 2002, and then to Lake Havasu in 2003. She joined the Desert Singles club and met many people who became good friends. Most of us knew her as an artist, a dancer, and a dance teacher. Anne loved to try new things and was always looking for a new idea. Creative and talented, she was always working on at least a couple of projects. Everything she touched turned into something beautiful. She was loved by everyone who met her and she will be missed by many.

A Celebration of Life will be held on November 4th, 2022 at ramada B in Rotary Park, in Lake Havasu, AZ. More info about this will be released at a later date.

Rest in Peace

SUDOKU

Like puzzles?
Then you'll love sudoku
This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Beginner

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

The roar of personal watercraft will soon take over a part of Lake Havasu as top racers from across the globe converge for the 2022 Jettrim World Finals and Watercraft Trade Show.

Athletes have already started arriving for this anticipated event held on the water off Crazy Horse Campgrounds from October 1-9.

The gates open for competitors to pit and stage on Saturday, October 1, but the first day of competition isn't until Tuesday, October 4. Competition will run from sunrise to sunset. Check the IJSBA website each night for the next day's schedule. Spectator admission is free.

Beginning Wednesday, October 5, vendors and exhibitors will begin opening displays for the World Trade

Show of all things personal watercraft including new watercraft, performance parts, wetsuits, apparel, accessories, and other offerings from the marine and motorsports lifestyle.

Pro racing will begin Friday, October 7 and continue through the weekend.

On Saturday night, October 8, there is an evening Freestyle competition in the Bridgewater Channel next to the London Bridge.

The 2022 Jettrim World Finals is the must attend event for every Personal Watercraft fan. The World Finals is an on the water competition of numerous divisions of personal watercraft. Competitors have spent the year honing their skills at various international events to become eligible to earn the top title of the year. The latest personal watercraft will travel at speeds upwards of 80 MPH in premiere competitions for both Stand Up and Sit Down style watercraft.

The competition program also includes the popular Freestyle segment where gravity defying tricks are done with some of the greatest athleticism seen in any motorsport. Rounding out the event are divisions for kids, women, and persons who celebrate the nostalgia of the sport by competing on vintage watercraft.

Get ready to see the top personal watercraft racers in the world compete during the 2022 Jettrim World Finals on Lake Havasu. IJSBA photo.

IJSBA created the sport of Personal Watercraft Racing in the mid 1970s and brought forth the very first World Championship in 1982. Now, in 2022, this amazing event has been held for 42 consecutive years all on the waters of Lake Havasu. Jettrim, a local company, which is planet's leading name in custom aftermarket padding, seats, and coverings for Personal Watercraft is the title sponsor of the event.

Spectators and participants can find all of the information they need for attendance at the World Finals at <https://ijsba.com/world-finals/>.

Racing gets underway, Tuesday, Oct. 4 for the Jettrim World Finals on the water off Crazy Horse Campgrounds. IJSBA photo.

made “gumbo,” a soup-stew that is popular in Louisiana. Girls from India wore traditional Indian clothing called “kurti” (red dress), and “lehenga” (white dress); boys from Pakistan wore their traditional clothing “kurtas.” There were also students from Japan, China, Mexico, Turkey, Georgia, Azerbaijan, Ukraine, South Korea, and other countries.

It was a great opportunity for students to educate themselves about different cultures, traditions, beliefs, and customs. They also got to try international food, listen to traditional music, and share their experiences.

Another week, another great event at ASU at Lake Havasu. ASU at Lake Havasu is well-known for its students’ diversity. People from all over the globe gather here to get quality knowledge and experience of studying abroad. This time, the Student Activities Department decided to use this opportunity and hosted an event, where all Sun Devils could come and present their culture and traditions.

Students embraced their cultures in many different ways. Some of them cooked their favorite national dish, and others dressed up in their national clothes. For example, a Russian student cooked a traditional Russian salad “Olivier,” which has been an all-time favorite not only in Russia, but in Central Asian countries as well, such as Kazakhstan and Kyrgyzstan. Local students also embraced American culture through cooking; one of them

more sense.” Jennifer and Chad had retired from owning Whett Rods Boat & Ski Rental under the London Bridge, and they never thought they’d be starting a wine and beer lounge, but they are loving every minute of it.

Grapes N Grains offers beer, wine, and tapas such as baby filet mignon, stuffed mushrooms kaibai beef satay, chicken satay, and a blue wedge salad. Don’t miss out on trying their impressive charcuterie board with a variety of gourmet meats, cheeses, crackers, and jams. They also offer

decadent desserts such as cheesecake Basque with fresh fruit on a bed of chocolate drizzle or chocolate lava cake.

Their hours may seem unconventional for a bar, but Jennifer explains they cater to the working professional, people who like to be home at night. They are open Tuesday – Friday 3pm – 9pm. Although they are officially closed on the weekends and Monday, they would happily host private parties and groups of 15 – 50. This would be the perfect location for a birthday or anniversary party, baby shower, wedding reception, or even a celebration of life.

Jennifer and Chad love spending time with their friends at the bar. They recently celebrated their 30th wedding anniversary. They have two grown children, Taylor and Chad, who have given them 5 grandchildren

Lake Havasu Unified School District notes

SUPERINTENDENT'S MESSAGE

As a unified district we are working to build a cohesive and high-quality education at all grade levels. Our partnership with families is vitally important and supports our mission of graduating every student with the academic and social skills necessary to become responsible citizens and contributing members of society.

Between the school day, extra-curricular activities and other events, many students spend as much time with us, or more, than they do at home. That is a responsibility that we take very seriously as we work to foster positive relationships and provide a setting that results in a safe and engaging learning environment for all

*Superintendent
Rebecca Stone*

students. We know we cannot do this alone as parents and families are their child's first and most important teachers. We have a variety of ways for our families to get involved. Please reach out to your school administration for opportunities to partner this school year. Thank you for everything you do to support your student and our entire LHUSD school community.

Serving as the point person for all district matters, the role of a superintendent is to supervise school principals and district staff, work with school board members and to manage fiscal operations.

EXPANDING OUR OUTREACH!

As a district, our vision is to utilize all of our stakeholders to better serve our students and our educational community. Our outreach goals this year are to align our efforts for communications, marketing, fundraising, community involvement, and district culture to directly support our mission.

We will be increasing all outreach efforts to help get the word out about the great things we are doing for our schools. We will be looking for additional ways we can recognize our schools, staff, and students for all they are working to achieve. We will also be working to raise the bar on the connection and understanding between our community and our district; highlighting the work that is being done in the classrooms and behind the scenes.

More than ever, we want to ultimately be proactive with building relationships and community connections that work in tandem for our collective goals and to ensure that our district continues to thrive in the years to come.

STUDENT SERVICES

The staff of the Student Services Department believes that all students can learn skills that will enhance the quality of their lives regardless of developmental disabilities, socio-economic status, race, gender, or cultural considerations.

Our purpose is to provide a safe and caring environment that encourages the acquisition of knowledge.

In partnership with the parents and community, we accept the responsibility to teach all of our students so they are able to achieve their potential.

The mission of the Student Services Department is to identify children with disabilities and provide a free and appropriate education for them as prescribed by the Individuals with Disabilities Education Act and Section 504.

DISTRICT GUIDING PRINCIPLES

Our Guiding Principles affirm how Lake Havasu Unified School District #1 will engage each student with a focus on scholarship, character, and humanity – so that all students may graduate with the academic and social skills necessary to become responsible citizens and contributing members of society.

LHUSD#1 INDIVIDUAL OF THE WEEK

Barbara Green

Each week an individual or group will be featured for their hard work and commitment in our school systems

Barbara Green currently works as the Administrative Assistant in our Human Resources department at Lake Havasu Unified School District. She has been with our LHUSD team now for two years, and she has brought so many strengths to our team in the process.

She began in our Curriculum and Instruction office as its Administrative Assistant and moved into Human Resources after a year of serving in that department. Now that she serves in Human Resources, she is one of the first faces that our public sees when they come into the district office. She is truly a ray of sunshine to those who she greets, and is always willing to be a helping hand to both those who come into the office as well as the staff she works with daily.

Barbara, fondly known as “Babs”, has an uncanny ability to maintain a sense of calm and order at the front desk while being known for her lightning speed efficiency in completing any and every task asked of her. She has excellent customer service skills and is a conduit for a large volume of communication that flows through the District Office front desk. She handles many tasks including front desk operations, fingerprinting, employee recognition assistance, and tax credit assistance for the public as well.

She is truly an invaluable member of our LHUSD team, and we are lucky to have her with us smiling every day!

HOROSCOPES

CAPRICORN - Dec 22/Jan 20 It may be challenging to figure out where you stand with someone this week, Capricorn. You thought you had it all figured out, but the tides have changed dramatically.

AQUARIUS - Jan 21/Feb 18 You'll continue to face the difficult decision of whether to tend to your own needs or help someone close to you, Aquarius. It's a fine line to walk with no easy answer.

PISCES - Feb 19/Mar 20 There's a positive drive guiding you along, Pisces. If you've been putting off your to-do list, now you will have the energy to get things done.

ARIES - Mar 21/Apr 20 Don't push yourself too far this week, Aries. That is a surefire way to be overcome by stress and deplete your energy, which you need to get things done. Pace yourself.

TAURUS - Apr 21/May 21 Hold your tongue and try not to get into any heated arguments with people either at work or in your social circles, Taurus. Avoid controversial subjects.

GEMINI - May 21/June 21 There's a strong pull toward wanting to play as well as getting work done, Gemini. Is there a way to delegate some work so you can focus on recreation? Figure things out.

CANCER - Jun 22/Jul 22 Cancer, you may have some exciting plans brewing but you might not know how to put them in motion. A friend may offer to help get the ball rolling.

LEO - Jul 23/Aug 23 The planets are trying to tell you to slow down and take a day off, Leo. You just have to listen more closely or you could run the risk of burnout in the days to come.

VIRGO - Aug 24/Sept 22 Virgo, this week things may get a bit more intense than you anticipated. Intensity doesn't necessarily mean you will have a bad time. Everything will be exciting and fast-paced.

LIBRA - Sept 23/Oct 23 Libra, focus on your personal relationships this week, as you may need to modify a few things and do some housekeeping in your social relationships.

SCORPIO - Oct 24/Nov 22 Focus on the finer details of life this week, Scorpio. If you have been waiting to have a gourmet dinner or to take a luxurious trip, now is the time to do so.

SAGITTARIUS - Nov 23/Dec 21 There's conflicting energy in the cosmos this week, Sagittarius. All of what you think was right may be turned on its head. Some new decisions may need to be made.
