PRAYER TO THE HOLY SPIRIT Holy Spirit, You who clarify everything for me, who illuminates all the ways so that I reach my ideal. You who give me the Divine gift of forgiving and forgetting the evil they do to me and that you are with me in every moment of my life. In this short dialogue I want to thank You for everything and confirm that I never want to be separated from You, no matter how great the material illusion.

I wish to be with you and all my loved ones in perpetual glory. Thanks for your mercy for me and mine. Thank my God. (The person must say this prayer 3 days in a row without saying the request, within 3 days grace will be reached, no matter how difficult it may be. Publish as soon as grace is received). I.I.

FREE GUIDE TO COGNITIVE HEALTH

At Prestige Assisted Living, we know the uncertainty and anxiety that can come with memory loss.

If you or a loved one are showing signs of cognitive decline, or have maybe even received a diagnosis of dementia, it's a new reality that leads to many questions, concerns and fears.

It's why we've created a free guide to cognitive health, available on our website through October. The guide includes valuable information about the different stages of memory loss, advice for those living with cognitive decline and their caregivers, tips on tending to mental health, cognitive assessments, memory games and much more.

Download the free guide to cognitive health at prestigecanhelp.com.

For more about our cognitive programming, call one of our locations below.
