Horoscope

 **ARIES** - Mar 21/Apr 20 Grit and guts will get you what you deserve this week, Aries. You may have an opportunity to make a good deal of money, so give this plan careful consideration. Ask for advice if the need arises.

 **TAURUS** - Apr 21/May 21 Taurus, there has been change in your life and you may want to blame the stars. Things will move out of your comfort zone and you will have to sharpen your ability to adapt.

 **GEMINI** - May 22/Jun 21 Gemini, you may be questioning the relationships in your life at the time being, but don't worry too much. If you hit a rough patch, things will clear up in a few days.

 **CANCER** - Jun 22/Jul 22 A big shift in your perception and attitude will bring new components to your life that you may not have anticipated. This week you'll certainly have a few eyes-wide-open moments.

 **LEO** - Jul 23/Aug 23 There will be no hiding out this week, Leo. You will soon learn that things will come your way at a rapid pace. Do your best to keep up, mighty Lion, as it's bound to be exciting.

 **VIRGO** - Aug 24/Sept 22 Virgo, you might be willing to throw caution to the wind and get away on a moment's notice. There are affordable ways to do this if you are willing to do your homework.

 **LIBRA** - Sept 23/Oct 23 Libra, even though some drama may be swirling in your universe, you find it tolerable because it's coming at you in small portions. Just stay on the sidelines as much as possible.

 **SCORPIO** - Oct 24/Nov 22 Scorpio, if boredom has set in, it's better to look to new experiences instead of doing something rash just for the thrill. See which classes you can take or find new restaurants to explore.

 **SAGITTARIUS** - Nov 23/Dec 21 Self-care and healing are what you should focus on right now, Sagittarius. You may have been pushing your needs to the side lately and you need to make this a priority.

 **CAPRICORN** - Dec 22/Jan 20 You are not normally characterized as 'impulsive,' Capricorn. But you may surprise everyone this week. An opportunity to travel or another adventure could drop in your lap.

 **AQUARIUS** - Jan 21/Feb 18 Try to create some tranquil spaces at home, Aquarius. You can use a haven, especially when a lot of stuff is thrown at you outside your home.

 **PISCES** - Feb 19/Mar 20 Pisces, you may be on a mission this week to get things done. Don't rush in your efforts to complete everything or you are bound to make mistakes that are not easily fixed.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Level: Advanced

SUDOKU

Like puzzles?

Then you'll love sudoku

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
