The White Sheet in the past 11 years has donated \$6 per ad sold, to the student designers' classrooms, to be used in whatever educational manner the teachers choose. In addition to the dollars for the individual classroom, the White Sheet donated 10% of the total proceeds to the school district. We are proud to say, the Design-An-Ad program has raised over \$32,000 for the Lake Havasu Unified School District the past 11 years.
