Creative Ideas to Count Down to the New Year

When the clock strikes midnight and the year turns over, celebration is sure to ensue, but it's the moments leading up to the ball drop that can make the evening truly special.

Make your New Year's Eve celebration unforgettable with these countdown party ideas.

GIVE YOUR CELEBRATION A MEMORABLE THEME

Choosing a theme for your party can add a unique twist to the celebration. Whether it's a "Roaring 20s" party with flapper dresses and jazz music or a cozy "Pajama Party" where guests can relax and enjoy comfort foods, a theme can set the tone for a memorable evening. More ideas include a "Masquerade Ball" theme to add an air of mystery and elegance or a "Decades Party" where guests dress up from their favorite decade. Whatever theme you choose, make sure to incorporate it into your food, decorations and music.

PROVIDE FOOD & DRINKS TO POWER THROUGH TO THE COUNTDOWN

Impress your guests with a menu

of unique and delicious food and drink options. Consider a variety of appetizers and finger foods that are easy to eat while mingling. Mini sliders, gourmet popcorn and charcuterie boards are crowd-pleasers. For drinks, create a signature cocktail, such as a sparkling champagne punch or festive mocktail for those who prefer non-alcoholic options. Also remember to have a champagne toast ready for the countdown to midnight.

SET UP INTERACTIVE ACTIVITIES TO ENGAGE YOUR GUESTS

Leading up to the countdown, arrange a series of interactive activities such as a quiz about events from the past year, a game of charades with New Year's Eve-themed prompts or a resolution-writing station where guests can share their goals for the upcoming year. Another fun idea: set up a photo booth with props. These activities can encourage mingling and laughter while keeping the energy high until the ball drops.

ARRANGE FUN AND FESTIVE DECORATIONS AND PROPS

Set the scene for your New Year's

Eve party with decorations that sparkle and shine. Use metallic and glittery decor to add a festive feel and don't forget balloons and streamers. Countdown clocks or timers placed around the party area can also help build anticipation as midnight approaches. Don't forget props like party hats, noisemakers and confetti poppers.

USE TECHNOLOGY TO ENHANCE THE EXPERIENCE

Make your celebration more exciting and inclusive by leveraging technology to set up a live stream of a famous countdown, such as the one in Times Square. For a more personalized touch, create a slideshow or video montage of memorable moments from the past year. Interactive apps that allow guests to send New Year's messages or participate in virtual games can also add a modern twist to your celebration.

Visit eLivingtoday.com for more ideas to make this New Year's Eve memorable. *(Family Features)*

SUDOKU

Like puzzles?
 Then you'll love sudoku
 This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

FOOD

Transform Holiday Leftovers into Vibrant, Flavorful Meals

Once your holiday feast comes to pass, you're almost certain to find your refrigerator stuffed with leftovers. However, that doesn't mean you want to eat the same meal again and again in the days that follow.

The star of many seasonal celebrations, turkey can be reused in a variety

of post-holiday dishes to cut down on food waste and create fresh new meals your whole family can enjoy. Featuring a unique blend of 100% natural chili peppers, lime and sea salt, Tajín pairs perfectly with turkey, making it a go-to for creative leftovers.

Gone are the days of simply reheating

turkey and stuffing or making a turkey sandwich. Instead, reinvent your holiday extras through fresh takes on classic dishes like this comforting Leftover Holiday Biscuit Pot Pie or spicy Leftover Turkey Carnitas Tacos.

For more holiday recipe inspiration, visit tajin.com/us.

Leftover Holiday Biscuit Pot Pie

Leftover Turkey Carnitas Tacos

LEFTOVER HOLIDAY BISCUIT POT PIE

Total time: 45 minutes
Servings: 4

Biscuits:

- 1½ cups all-purpose flour
- 2 teaspoons baking powder
- 2½ teaspoons sugar
- ¼ teaspoon salt
- 2 teaspoons cream of tartar
- 1/2 cup cold unsalted butter
- 2/3 cup buttermilk
- 1 tablespoon butter, melted

Turkey Pot Pie Filling:

- 1/2 cup turkey fat
- 1½ cups diced onion
- 1½ cups diced carrots
- 1½ cups diced celery
- 1 bay leaf
- 1 tablespoon minced garlic
- 1 tablespoon chopped thyme
- 1 tablespoon diamond crystal coarse salt
- 1 tablespoon coarse black pepper
- 1 cup all-purpose flour, divided
- 8 cups cold turkey stock
- Tajín Clasico Seasoning, to taste (about 1 tablespoon)
- 6 cups leftover cooked turkey, chopped

To make biscuits: In mixing bowl, combine flour, baking powder, sugar, salt and cream of tartar.

Grate butter and mix with dry ingredients.

Carefully add buttermilk and mix until incorporated.

Fold over 5-6 times, roll out and cut into 10-12 rounds.

Place cut biscuits on floured surface. Refrigerate 30 minutes.

To make turkey pot pie filling:

Preheat oven to 375 F.

Heat large pot over high heat and add turkey fat.

Add onions, carrots, celery, bay leaf, garlic, thyme, salt and pepper; gently sweat.

Add 1/2 cup flour and cook 2-3 minutes.

Add turkey stock 2 cups at a time, allowing to thicken before adding more.

In bowl, mix remaining flour with turkey.

Add turkey pot, bring to simmer until thickened.

Add seasoning, to taste.

Add pot pie filling to casserole dish and gently place biscuits closely together on top.

Brush biscuits with melted butter and bake 25-30 minutes.

Remove from oven and cool 10-15 minutes before serving.

LEFTOVER TURKEY CARNITAS TACOS

Total time: 25 minutes

Servings: 2 (2-3 tacos each)

4-6 garlic cloves, peeled and separated

- 1 pinch salt
- 1/2 cup fresh bitter orange juice or fresh lime juice with fresh orange juice combo
- 1/2 cup olive oil
- 1 teaspoon Tajín Clasico Seasoning
- 1 cup leftover turkey, shredded
- 1 cup duck fat, ghee or high smoke point oil of choice
- 4-6 tortillas

Toppings (optional):

- pico de gallo
- pickled onions
- cilantro
- pomegranate seeds
- avocado

With mortar and pestle, crush together garlic cloves and salt, make paste and place in medium bowl.

Stir in juice, olive oil and seasoning. Fold mojo into shredded turkey meat.

In large, heavy-bottomed pot over high heat, melt duck fat and wait until it forms a wave. Add turkey, in batches, stirring often, until meat turns light golden brown, then lower heat to medium. Turn off heat.

Heat up tortillas, place turkey carnitas on top and add pico de gallo, pickled onions, cilantro, pomegranate seeds or avocado as desired.

Note: Once browned in duck fat, carnitas can be stored in the fat overnight and reheated over low heat to melt fat and warm carnitas. *(Family Features)*

Horoscope

ARIES - Mar 21/Apr 20 It's easy for your mind to wander and get caught daydreaming, Aries. You could be feeling a little restless and in need of a change. A vacation or a night with friends may just do it.

TAURUS - Apr 21/May 21 Taurus, even if you are trying to save money, this week some situations will arise that will require you to open your wallet. This is why you have an emergency fund.

GEMINI - May 22/Jun 21 Gemini, sometimes people do not know which side of you they might encounter and might keep you at arms length as a result. Try to be more open this week.

CANCER - Jun 22/Jul 22 Exciting things are on the horizon, Cancer. This might be something you have been anticipating for some time.

LEO - Jul 23/Aug 23 Leo, this week you might need to stick up for someone or fight for a cause you believe in, even if it adversely affects your popularity. Stand your ground in these situations.

VIRGO - Aug 24/Sept 22 Virgo, you might want to swallow your pride and ask for help rather than trying to do everything on your own. Going it alone hasn't helped you in the past, so why should it now?

LIBRA - Sept 23/Oct 23 Someone steps in and helps you along at work, Libra. Instead of feeling he or she took liberties, thank this person for giving you the extra boost you likely needed at the time.

SCORPIO - Oct 24/Nov 22 Scorpio, try to look at a situation from a new angle and then you might get some of the answers you desire this week. Is someone acting out of character?

SAGITTARIUS - Nov 23/Dec 21 Learn how to deal with conflict in a productive way, Sagittarius. Then you won't get bogged down by others when they are going head-to-head. Aries might play a role this week.

CAPRICORN - Dec 22/Jan 20 This week you may find that all of your efforts to build up to a pinnacle moment perhaps didn't give you the feelings you desired. Try getting back to basics.

AQUARIUS - Jan 21/Feb 18 Aquarius, something that has been stretching on for quite some time finally gets finished, giving you the closure you need. Share the news slowly with others.

PISCES - Feb 19/Mar 20 Pisces, if what you are doing right now is giving you gratification, you might not need to make many big changes in the weeks to come.
