# Chamber Hosts Home Show

Meet and talk to professionals in the business and find what you need for home improvement, renovation, and construction during the first Chamber Building Industry Alliance’s Home Show.

This home show, presented by the Lake Havasu Area Chamber of Commerce, will feature building industry-based businesses, including: contractors, builders, interior and exterior decor, grating, electric, solar, doors, painting. There will be 55 vendors, including food trucks.

“Everything you would need to build your home and to put finishing touches on it!” said Amanda Mehaffey, Director of Special Events for the Chamber. “Our goal was for the community to shop locally and check out the talent and businesses that we have right here in the area!”

It will be Saturday, April 13 from 9 a.m. to 4 p.m. at Havasu Riviera Marina, 2067 Havasu Riviera Parkway. There is no admission fee.

“We are getting great feedback from the community and people seem to be excited about the home show and the location.

The Chamber Building Industry Alliance was launched in November 2023 and

is similar to the former Colorado River Building Industry Association (CRBIA).

“It is similar in some ways to CRBIA, but the Chamber has put our own spin on it,” Mehaffey said. “Same great benefits but with more informational networking events and Home Shows to showcase their business! This is a tier that the Chamber has created for building industry businesses to join on top of their chamber membership.”

Mehaffey said the Chamber hopes to make this an annual event. “Our goal is to grow it every year with more businesses in our local community in attendance as vendors!”

For more information about the Building Industry Alliance or the Home Show, contact the Chamber at 928-855-4115 or visit [www.havasuchamber.com](http://www.havasuchamber.com).

The 2024 Havasu Top Chef event will be April 11 at London Bridge Resort. Lake Havasu Hospitality Association photo.

## Who will be crowned Havasu's Top Chef?

Ten local restaurant chefs will show-off their culinary prowess by competing in "Havasu Top Chef" cooking competition, presented by Lake Havasu Hospitality Association.

It will be the largest field of participants - up from the usual eight - vying for the prize on Thursday, April 11 at the London Bridge Resort. Doors open at 5:30 p.m. for general access; 4:30 p.m. for reserved ticket holders.

Watch as the chefs compete in quick-fire challenges with mystery ingredients to become Lake Havasu City's next "Havasu Top Chef". The Boat House Grill is back after winning both Top Chef and People's Choice last year. Besides Boat House, competing chefs will be representing Benchmark, The Chair, College Street Brewery, Foundry, Harlezy & Hot Rodz, Havasu Regional Medical Center, The Nautical Beachfront Resort, Majik Bistro & Milkshakes, and SummeRay Wine Bar & Local Eatery.

Attendees will vote for the "People's Choice" award for the best appetizer and presentation. Appetizers will

be both savory & sweet and will be provided by participating restaurants: Boat House Grill, Hangar 24, Harlezy & Hot Rodz, Havasu Regional Medical Center, The Nautical, Niko's, Stoney's Bar & Grill, SummeRay, Sweet Breeze Crepes, and Wild Coffee.

Cheer on your favorite bartender in the Mixology Competition, sponsored by Copper Still Distillery. Bartenders from Angelina's, Boat House Grill, Foundry and last year's winner, Cha Bones, will create their best drink with mystery ingredients.

General admission tickets are \$50 apiece. All ticket-holders will enjoy the DJ, auction items, photo booth, People's Choice appetizers, cash bars, and viewing of the cooking & mixology competition. A reserved table for seating for 10 is \$800 per table and also includes one-hour early access before general admission and first dibs on appetizers.

## Lake Havasu Fishing Report Lake Level 448.42

**Average daytime  
water temp 65 degrees**

Stripers hitting shallow running and topwater baits like the Pointer 128, 158s, Super spooks and pencil poppers for the first hour of light in the am. Shad spawn is happening now first thing in the AM. Target stripers against the bank early over shallow Flats. Later switch off to cut anchovies bottom fished in 28 to 35ft of water from the main Windsor basin north to the mouth of the river. Stripers are in prespawn now. Target main river channel areas either in the main lake or north in the river from Gorilla hole to Devils elbow.

They will spawn mid April thru most of May. Redear sunfish bite is good with large redears still deep in the main lake (6-20ft) or you can fish them shallow in the backwaters off the river current south of Blankenship bend. Nightcrawlers fished with a split shot and slip bobber work best because you can adjust the depth from 1ft to 30ft. Largemouth bass starting to hit topwater poppers, frogs and senkos fished near cattails as bass are becoming more aggressive. On clear sunny days target smallmouth with dropshotted Roboworms like desert craw and bold bluegill rigged on 8lb test with a 3/16oz dropshot weight. Heavier line and more weight will reduce the number of bites you get.

Jazz trio performs on local stage

The popular jazz group, Jason Fabus Trio, is redefining what it’s like to experience a jazz concert in a special performance at the Lake Havasu High School Performing Arts Center.

The concert on Thursday, April 11 is the final show of the 2023-24 Concert Season presented by Lake Havasu Concert Association and Live On Stage. The concert will be at 7 p.m. Tickets are \$30; students are admitted free with a valid student ID.

The Jason Fabus Trio is a jazz group led by saxophonist Jason Fabus. They are a staple in the budding Jazz & Swing Dancing scene in Los Angeles. Their debut album *Splanky* (2018) was received exceptionally well, currently boasting over 1.5 million streams on Spotify and regularly airing on Siriusly Sinatra on SiriusXM Radio and KJazz 88.1FM in Los Angeles.

The group focuses on tight and swinging arrangements of songs on alto saxophone, vocals and piano from the Golden Era of American Music. Many of their jazz standards are from the 1920-50’s, and even their original music will give the listener that same familiar sound. They evoke the stylings of the Nat “King” Cole Trio, and Fabus has often been likened to the sound of Paul Desmond.

The Lake Havasu Concert Association provides professional concerts for the community. Its mission is to build and maintain, through a non-profit organization, a permanent concert audience and cultivate an interest in fine music among the citizens of the community and surrounding area. It is also a goal to encourage music appreciation in the schools of the community.

The Performing Arts Center is located at 2675 S. Palo Verde Blvd. For more information, including tickets, visit the Lake Havasu Concert Association’s website at [www.lhcca.com](http://www.lhcca.com) or call 928-706-0779.

# Noah's Ark with Giselle Act II

*ballet*  
Havasu

## Ballet Havasu presents spring performance

The students at Ballet Havasu are preparing to take the stage at the Lake Havasu High School Performing Arts Center to present their spring performance.

They will have two shows of Noah's Ark, A new ballet, with Giselle Act II on Saturday, April 13 at 7 p.m., and Sunday, April 14 at 2 p.m.

"The upcoming production includes all of our students. There will be over 50 students on stage for the show, and even some family members who aren't in classes, but wanted to be involved in the production on stage, said Nathan Cottam, Director of Ballet Havasu. "Others help backstage, in the costume room and in a hundred other places, as needed. We have dancers from one-year-old all the way up to 75, in this production."

Cottam created the Noah's Ark ballet, which is a brand new adaptation of the story of Noah and the Ark.

"One of the things I like to do in creating new ballets is take folk tales and other very commonly known stories that have never been made into a ballet and create one," he said. "For the music, I like to choose a single composer and make all of the dances to some of the more well-known music of that composer."

"Another fun part of the production comes in the narration. Since our ballet leases space from the Stonebridge Christian Fellowship, the 'golf ball' church I decided to ask one of the pastors from the church to record the narration for the show," Cottam added. "There are no sermons, per se, and this isn't meant to be a religious ballet, but the narration uses verses from the Bible to tell the story that so many of us already know and is greatly important that we pass it on to our young children."

Giselle, on the other hand, is a ballet that can be called "the oldest ballet in the world," according to Cottam. It was first performed in 1841.

# Aged White Peach Balsamic Reduction

**INGREDIENTS:**  
2 cups aged peach white balsamic

**INSTRUCTIONS:**  
In a 2 quart sauce pan over very low heat, gently simmer the balsamic and reduce by half, approximately one cup. The condiment should never be allowed to boil or the natural sugar will burn and become bitter. The pot should be watched carefully. The process can take as long as 30 minutes but the results will be worth the effort. The finished reduction should be thick and light amber in color; smelling slightly of caramel and complex fruit. Allow to cook completely and then transfer to a jar. Allowed to sit and cool the flavor will become more complex. It can be kept on the counter or in the refrigerator, however refrigeration is not necessary. Use to glaze pork, poultry, ribs, fresh fruit or paired with cheeses.

## Warning: Shipping Delivery Scams

By Le Phuong Vy Nguyen

As a first-year biology student, I'm deeply honored to be a member of the Sun Devil community at the ASU Lake Havasu Campus. I have the privilege of connecting with diverse and accomplished international colleagues in an environment that blends professionalism and warmth. As an international student, I am acutely aware of the need for freight services, especially in my family. Every semester, my family sends me several packages from Vietnam, including essential items like clothes, food, and unique items that are hard to find in the US. Unfortunately, opportunistic scammers have taken advantage of the reliance on these freight services, especially among unsuspecting individuals like me. These scammers take advantage of trust in delivery services, carrying out fraudulent schemes to compromise individuals' financial security and peace of mind. I went through this scam, but fortunately, I got my money back. However, we should be careful to avoid losing money.

In my experience, scammers have used fake tracking numbers and targeted individuals waiting for deliveries, especially international students. Scammers impersonate legitimate shipping companies, sending fraudulent emails or texts to solicit personal or financial information under pretenses. They may notify you that the information or address on your package is wrong and ask you to pay a very small fee, 30 cents to \$1, so that you can correct the information and they will deliver your packages. In their eagerness to track a shipment or resolve any delivery issues, unsuspecting individuals may accidentally reveal sensitive details, becoming victims of identity theft or financial fraud.

To protect yourself from falling victim to these scams, you need to be vigilant and take precautions. Be wary of suspicious texts and emails masquerading as shipping notifications. Be cautious when encountering unsolicited messages asking for personal or financial information, and don't click on suspicious links or attachments. Instead, contact the shipping company directly using verified contact information to verify the status of your shipment. I hope that with my little experience, I can help you protect your personal information as well as your money.

# BUSINESS & INDUSTRY PROFILE

Brought to you by your #1 local shopping guide, **White Sheet** (800-298-8162)

## Icon Graphics: Elevate Your Look!

Icon Graphics, newly opened February 1, is owned and operated by Johnny Davis. Davis grew up in Lake Havasu and graduated from Lake Havasu High School, so he is no stranger to how business gets done in our community. He has heard the complaint over and over that “No one calls you back” when you need service work in Lake Havasu, and he is out to change that. Deeply committed to his customers’ satisfaction, Davis

brings his 16 years in the graphics industry into a unique business that not only does automotive, commercial, and residential tint, but also offers color change and printed wrap as well as ceramic coating, and paint protection. They offer decals, banners, and detailing. His skills reach into interiors and furniture as well.

Icon Graphics is so much more than vehicle wraps and protection, Johnny is looking to help you elevate the look of anything that is solid and can be wrapped. For example, he prints large-scale high-quality wall designs that can be used in place of interior paint. He can design and create wall coverings of any size to fit your needs and space. Some examples might be Harley, Chevy, or sports decor for a man cave or garage. He can also wrap

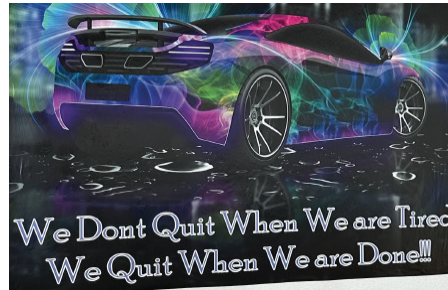

furniture like cabinets and tables. He can print collages of beloved family photos and clear coat it to indoor or outdoor tables for a unique and functional keepsake piece.

Davis brings more than just experience, he owned his own shop in northern Idaho, and he brings with him creativity and vision to help you design the project of your dreams. “We are all about quality and the experience. We want people to

feel comfortable here.” He offers design skills for interior spaces, referencing the entire interior of a

sports bar that he customized, right down to quirky touches in the restrooms.

When it comes to customizing your vehicle, Icon Graphics is your one-stop shop. “If we can’t do it in-house, we will get it done in the community.” Davis offers custom lighting and electrical, and loves making older cars look new. He says his favorite moments are when customers see their car for the first time and have a look of awe. He

says spend less on a used car and spend a little to customize it, and it’ll look brand new. “No car is too old or too cheap to look new.”

Icon Graphics even offers Paint Protection Film, which is optically clear protection with hydro resist technology. Paint Protection Film comes with a 10-year warranty. Another way to protect your vehicle is with ceramic coating. Ceramic coating protects your car, truck, side-by-side, boat, trailer, or RV against UV/IR light, weathering, acid rain, industrial fall out, bird droppings, and tree sap. For the ultimate solar protection for the interior of your vehicle, Icon Graphics offers expert window tint, with prices starting at \$199. They even offer ceramic tint for the ultimate in solar performance and will remove your old tint for around \$100.

Contact Johnny at Icon Graphics at 928-302-1598 or stop in to chat with him. Check out their Facebook and Instagram pages for updated pics of projects. Remember Icon Graphics for wraps, decals, signs, banners, detailing, and vehicle protection.

## NEWS FOR THE COMMUNITY

# Preschool programs are thriving at Smoketree Elementary and across the district

As we continue the year, we wanted to take a moment to communicate some important information regarding recent preschool updates.

Oro Grande Classical Academy is in the inaugural year of their preschool program, so we are excited to promote the newest addition to LHUSD. Building a solid educational foundation begins in the early developmental stages of childhood and we are thrilled to be early education partners, invested in our students' academic success.

In response to the uptick in enrollment we are seeing at Smoketree Developmental Preschool combined with community demand for early childhood options and our unified commitment to early learning, we will be launching a new preschool site for the 24-25 school year. Nautilus Elementary School will be the home to the 4th member of the LHUSD preschool family!

We are overjoyed to be able to serve our community and expand our preschool program by offering learning opportunities throughout Lake Havasu.

LHUSD Preschool and Early Childhood Programs provide a nurturing and stimulating environment that fosters the growth and development of our youngest learners. We strive to create a foundation for lifelong learning by promoting curiosity, creativity, and critical thinking skills. Our preschool program is inclusive, equitable, and accessible, ensuring that every child has the opportunity to reach their full potential. We believe that by investing in quality early childhood education,
