FREE WEBINAR

Transitioning To Memory Care

When a loved one
starts showing signs
of dementia, or
is diagnosed with
Alzheimer's disease
or memory loss, the
discussion of a move
to memory care
can be emotional
for families.

Here at **Prestige Assisted Living at Lake Havasu City**,
we understand those difficult challenges. To help families
in that situation, we're hosting a free webinar on the topic,
taking place **Tuesday, May 14 at 4pm Pacific time.**

The webinar, entitled "Memory Care: Easing Your Loved
One's Transition," will feature David Troxel, a noted
dementia expert and author.

In the webinar he will look at case studies from the
perspective of the person living with memory loss and
their adult child(ren), as well as discussing Prestige's
award-winning memory care wellness program
Expressions, and success stories.

During the webinar you'll also have the chance to enter to
win a free one-hour consultation with David so he can get
to know your particular challenges or questions and offer
guidance on the path forward.

To sign up for the free webinar, visit prestigememorycare.com.
