How to Experience the Thrill and Majesty of Kentucky Horse Racing

There are few words more synonymous with Kentucky than horses. In fact, just saying the words together evokes images of thoroughbreds and jockeys adorned in vibrant colors, as they thunder into the homestretch at Churchill Downs - all competing for the dream of winning the Kentucky Derby.

Horse racing and the Kentucky Derby are so ingrained in Kentucky culture that the first Saturday in May, or Derby Day, as Kentuckians call it, is akin to a state holiday. More than 150,000 people travel to Louisville every year to witness the most exciting two minutes in sports. Millions more, particularly those in the Bluegrass State, throw Derby Parties and tune in at home. Since 1935, the city of Louisville begins celebrating a full two weeks early with elegant balls, a marathon, concerts, and community events during the aptly named, Kentucky Derby Festival.

This year will be particularly special because it's the 150th "Run for the Roses," making it the oldest continuous American sporting event. Over the last one and a half centuries, the size and scope of the venerated race, and horse racing culture, have grown exponentially.

As massive as the Derby is in the world's consciousness, it's just the beginning when it comes to Kentucky horseracing. Here's what to know, about all of Kentucky's thoroughbred racetracks, whether you are a horse enthusiast or just looking for a fun way to spend your afternoon:

Churchill Downs

With approximately 70 days of live thoroughbred racing a year, Churchill Downs is a busy place. Every year, the mile-long course and the barns next to it house, train and race more than 1,400 horses and welcome more than a quarter of a million visitors. Meets at the "Twin Spires" include the Spring Meet, which begins after Derby Day, the September Meet, and the Fall Meet. If you find yourself at Churchill Downs on a day without races, check out the Kentucky Derby Museum next to the track, where you can also book racetrack and barn tours to get an insiders' look at what makes Churchill Downs so special.

Keeneland Race Course

Keeneland in Lexington has been a horseracing hub since its first races in the late 1930s. With a Spring Meet in April and a Fall Meet in October, Keeneland features around 30 days of racing annually, and each year, its four thoroughbred auctions result in more than \$500 million in sales. Keeneland, a National Historic Landmark, offers year-round tours of its grounds and training facilities as well as the opportunity to watch horses conduct morning workouts.

Turfway Park

A few miles from the Cincinnati/Northern Kentucky Airport, Turfway Park holds two meets each year: The Holiday Meet in December and the Winter/Spring Meet from January to late March. Turfway originally opened in 1959 as Latonia Race Track and has featured several prestigious races over the years, including the Jeff Ruby Steaks and the John Battaglia Memorial, both of which are included on the "Road to the Kentucky Derby." Due to its winter and early spring races, Turfway's track is made of synthetic material that makes racing safer during bad weather.

Kentucky Downs

Located just north of the Kentucky-Tennessee border in Franklin, the all-turf flat racetrack at Kentucky Downs is beautiful, and the only European-style track in North America. Kentucky Downs only holds one meet a year during late summer, making it one of the most exclusive racing events around. During these seven race days, Kentucky Downs offers experiences ranging from VIP treatment at the finish line to free tailgating and general admission on the final turn and stretch.

Ellis Park

Positioned just north of the Ohio River and just south of the Kentucky-Indiana border in Henderson, Ellis Park Race Course holds meets from July to September. Designed after the Saratoga Race Course in New York, the 1.125-mile dirt track features a 60,000-person grandstand offering amazing views of the racing action.

To learn more about Kentucky horse racing and to plan your trip, visit kentuckytourism.com.

No matter the time of year, experiencing the thrill and majesty of thoroughbred horseracing is always an option when you are looking for an unforgettable Kentucky experience.

SUDOKU

Like puzzles?
Then you'll love sudoku
This mind-bending
puzzle will have you
hooked from the
moment you square off,
so sharpen your pencil
and put your sudoku
savvy to the test!

Level: Beginner

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Cuisine key when celebrating Cinco de Mayo

Breaking bread with some traditional Mexican cuisine is how many people choose to celebrate Cinco de Mayo. Those who want to add some authentic Mexican cuisine to their Cinco de Mayo celebration this year should consider the following recipe for “Baja Fish Tacos” from Karen Adler and Judith Fertig’s “Gardener & The Grill: The Bounty of the Garden Meets the Sizzle of the Grill” (Running Press).

Baja Fish Tacos

Serves 4

Grilled Napa Cabbage Slaw

- 1 large head Napa cabbage, cut in half lengthwise
- Vegetable oil, for brushing
- 1 cup assorted baby greens
- 8 green onions, chopped (white and green parts)
- 1/4 cup tarragon vinegar
- 1/4 cup sour cream
- 1/2 cup freshly squeezed lemon juice
- 1/2 teaspoon fine kosher or sea salt

Baja Fish

- 1 1/2 pounds mahi mahi, catfish, halibut, or other mild white fish
- 1/4 cup Red Hot Blackened Seasoning (see below)
- 8 flour tortillas, for serving
- 8 lemon wedges, for serving
- 1 1/2 cups salsa, for serving

Prepare a hot fire on your grill.

Brush the cut sides of the Napa cabbage with oil. Coat the fish fillets with the Red Hot Blackened Seasoning.

Grill the cabbage, cut side down, directly over the fire for 2 to 3 minutes or until the cabbage has good grill marks. Remove from the grill.

Grill the fish directly over the fire, flesh side down first, for 4 to 5 minutes per side, or 10 minutes per inch of thickness. Turn only once to grill the skin side, halfway through grilling.

To make the slaw, thinly slice the grilled cabbage and place in a large bowl. Stir in the greens and the green onions. In a small bowl, combine the vinegar, sour cream, lemon juice, and salt to make a dressing. Pour the dressing over the cabbage mixture and toss to blend.

To assemble the tacos, place some of the grilled fish on each tortilla. Top with about 1/3 cup of the slaw and roll up, soft-taco style. Serve with a lemon wedge and a small ramekin of salsa.

Red Hot Blackened Seasoning

Makes about 1 1/4 cups

- 1/4 cup paprika
- 3 tablespoons garlic salt
- 2 tablespoons granulated onion
- 1 tablespoon dried oregano
- 1 tablespoon dried basil
- 1 1/2 teaspoons dried thyme
- 1 1/2 tablespoons black pepper
- 1 1/2 tablespoons white pepper
- 1 tablespoon cayenne pepper

Combine all of the ingredients in a glass jar and cover with a tight-fitting lid. Shake to blend. This keeps for several months in the pantry.

Horoscope

ARIES (Mar 21/Apr 20) You can get your spark back with some help from friends, Aries. You may have been struggling in one form or another, but others can provide the perspective needed.

TAURUS (Apr 21/May 21) Taurus, you are a dependable rock and that comes with a lot of responsibility. Sometimes you may feel overwhelmed, and in those instances feel free to delegate some tasks.

GEMINI (May 22/Jun 21) Too much joking around may strike a nerve of someone close to you, Gemini. Feel out every situation before you start communicating in such a laid back and jovial way.

CANCER (Jun 22/Jul 22) Cancer, like it or not, you have to stand by a promise or a commitment you made to someone, even if you no longer feel like doing so. Once it is finished, you can go your separate ways.

LEO (Jul 23/Aug 23) Leo, if others have underestimated you or written you off in the past, you will have an opportunity to prove them wrong this week, even if you already know the truth.

VIRGO (Aug 24/Sept 22) Your keen eye for detail has you pointing out a mistake that may have cost someone a lot of money, Virgo. Your reward could be a promotion or another commendation.

LIBRA (Sept 23/Oct 23) Making room for your needs right now is challenging as others seem to require all of the attention, Libra. You will have a chance to balance the scales soon enough.

SCORPIO (Oct 24/Nov 22) Right now you may be reluctant to commit or comment on an issue that is affecting some in your circle, Scorpio. You can get involved once you dig further and do your own research.

SAGITTARIUS (Nov 23/Dec 21) Sagittarius, when you hang out with friends, you may be tempted to spend more than is in your budget at the moment. Set a limit, and perhaps leave your credit cards at home.

CAPRICORN (Dec 22/Jan 20) Capricorn, you are ready to move forward, but others in your orbit may be holding you back. Know when to cut loose and do things according to your bigger vision.

AQUARIUS (Jan 21/Feb 18) Thinking about all of the things in your life that may not be going to plan could have you feeling down, Aquarius. Flip the perspective and start focusing on the right things.

PISCES (Feb 19/Mar 20) Pisces, you are known for being a dreamer, but right now you have to come down from the clouds and develop a solid plan of action. There will be time for fanciful ideas later.
